

English version 2026

La Cité de la Mer, where stories begin.

A unique adventure in the heart of Cherbourg's Art Deco transatlantic liners' terminal dedicated to the fantastic human adventure of the conquest of the great depths.

Embark on the largest submarine *Le Redoutable*, open worldwide to the public. Explore an exhibition of stunning aquariums and spectacular multimedia display around the abyssal aquarium, deepest of Europe. Follow the route of 50 million emigrants and relive the unique crossing of the legendary liner. See the Collection of artefacts from the *Titanic*. Discover a unique collection of submarines in the Main Hall to experiment the adventure of the oceanauts.

Our new products

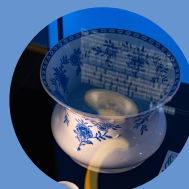

Cherbourg Transatlantic

Put on a VR headset for an immersive journey to the 30's, and experience the vibrant docks and train hall of the bustling transatlantic liner terminal
